

Community Garden At Marfleet Hub

358 Marfleet Lane (Old GP surgery)

Do you enjoy gardening? Would you like to meet new people?

We are starting a garden project at this site to encourage the local wildlife and develop the green space to benefit the local community.

If you would like to find out more information and would be interested in being involved, please contact:

BeWell Team - 01482 458091
